I-84 Garritty to Meridian

Construction: January 2008 – Spring 2010

- Widen and reconstruct 6.2 miles of I-84 between Garritty and Meridian interchanges.

Traffic Impacts

- Two lanes of traffic in each direction open from 5 a.m. to 10 p.m.
- One lane of traffic in each direction open from 10 p.m. to 5 a.m.
- Highway shoulders are restricted.
- Speed limit is 55 mph.

Franklin Boulevard Interchange Bridge

Construction: Late Summer 2008 – Summer 2009

- Widen and construct east half of bridge to match west half built in 1999 and allow additional lanes to be built on I-84.

Traffic Impacts

- One lane of traffic in each direction open at all times on the bridge, subject to minor delays for construction vehicles.
- Occasional nighttime closures on I-84 will be necessary for bridge demolition and replacement.

Robinson Road and Black Cat Road overpasses

Construction: Fall 2008 – Early Summer 2009

- Reconstruct overpasses to allow additional lanes to be built on I-84.

Traffic Impacts

- Overpasses may be closed at the same time.
- Occasional nighttime closures on I-84 will be necessary for bridge demolition and replacement.

Planned Ten Mile Road Interchange

Construction: Summer 2009 – 2011

ITD anticipates building a new I-84 interchange, including on- and off-ramps, at Ten Mile Road in Meridian.

Traffic Impacts

- Occasional nighttime closures on I-84 will be necessary for bridge demolition and replacement.
- I-84 and the Ten Mile Road Overpass will remain open during most of the construction.

DRIVING TIPS

SLOW DOWN. Leave early to reach your destination on time and expect delays.

PAY ATTENTION. The most common factor in work zone crashes is driver inattentiveness.

KNOW YOUR ROUTE. Find out about lane restrictions and traffic delays ahead of time. For current roadwork information, dial 5-1-1 or visit 511.idaho.gov.

USE ALTERNATIVE

TRANSPORTATION. Carpool to work with a neighbor or take the bus. To learn about other ways to commute in the Treasure Valley, visit commuteride.com and valleyride.com.
